Doorstopper All The Tropes Wiki FANDOM powered by Wikia

A common literary term that refers to a book so thick and heavy that it can be used as a doorstopper Or a weapon Or a method with which to give a chiropractor a job While it is likely to be used in a spirit of derision as it evokes the idea of Padding in spades there are also many fine books that could technically stop a door or kill a man in a pinch

Creationism Wikipedia

Creationism is the religious belief that the universe and life originated from specific acts of divine creation as opposed to through natural processes such as evolution Creationism covers a spectrum of views including evolutionary creationism citation needed but the term is commonly used for literal creationists who reject various aspects of science and instead promote

Creationism and evolution controversy Wikipedia

The creationism and evolution controversy began in Europe and North America in the late 18th century when new interpretations of geological evidence led to various theories of an ancient Earth and findings of extinctions demonstrated in the fossil geological sequence prompted early ideas of evolution notably Lamarckism In England these ideas of continuing change were at first seen as a threat to
