Classic book Wikipedia

A classic is a book accepted as being exemplary or noteworthy for example through an imprimatur such as being listed in a list of great books or through a reader's personal opinion. Although the term is often associated with the Western canon it can be applied to works of literature from all traditions such as the Chinese classics or the Indian Vedas.

Classics Wikipedia

Classics or classical studies is the study of classical antiquity. It encompasses the study of the Greco-Roman world, particularly of its languages and literature, Ancient Greek and Classical Latin, but also of Greco-Roman philosophy, history, and archaeology. Traditionally, in the West, the study of the Greek and Roman classics was considered one of the cornerstones of the humanities and a
